God’s Word!

THEIR HEARTFELT PLEA—

Imagine the only Bible in your remote part of the world is in a language you do not understand, or perhaps you cannot read or write, or maybe it's because your language is only spoken . . . for whatever reason, God's Word is out of reach for you, your loved ones, and your entire village.

For many isolated Christians, this is a crushing reality.

We know of a family in Southeast Asia who were the only believers in their small village, and they paid dearly for it.

The authorities, hostile to Christianity, pressured them to renounce their faith. Their neighbors, fearful of the government, and bound in superstition by the religion of their ancestors, harassed them as well.

But they stood firm in their faith, clinging to the promises of the Scriptures and depending on the power of God's love. They remained faithful, even as local officials descended on their home, beat them, seized their property, and drove the family from their home.

In spite of these horrors, a determined team of national Bible translators has recorded the entire New Testament in their language using BTRK equipment!

With your gift, you can equip more language groups with a Bible Translation Recording Kit, or BTRK for short. These kits can record passages or whole chapters of Scripture and can be saved, then played back over and over! We know that faith comes by hearing (Romans 10:17) and also that BTRKs can bring God's Word to life in places where it does not exist in the local language.

Your gift today can provide the BTRKs that will make all the difference for entire communities and regions. Each kit only costs \$2,000, but there are 25 language groups hoping and praying for this technology.

Please make a gift to give men and women across the world the chance to hear God's Word in the language of their hearts. Give them the chance to learn of God's infinite love and Jesus' incredible sacrifice. Give them the tools to realize Scripture in a language that they can understand, study, and share with others.

Thank you for giving generously to share God's Word with people in need!
