Help Families Facing Hunger This Summer

GIVE NOW

\$ MATCHING CHALLENGE OPPORTUNITY

Dear <<Salutation>>,

Like the relentless heat on a sweltering summer day, the pressure of food insecurity is taking its toll on many of our neighbors.

Record inflation means grocery prices are the highest they've been in decades. But I'm grateful to report, there's also good news!

Today, your gift can go twice as far, thanks to a \$25,000 matching challenge offered by generous friends of the Greater Chicago Food Depository.

Every \$1 you donate = 6 meals for families and individuals in Chicago and across Cook County.

You'll make a real difference in the life of someone like Ramona . . .

This hardworking mother from the Jefferson Park neighborhood held two jobs to get by. But now, with a son too young to enroll in daycare, Ramona has to stay home to take care of him. As a result, putting food on the table has become a real challenge.

<<[Name], your support of the Greater Chicago Food Depository is helping the New Hope Community Food Pantry, and more than 700 other pantries and programs across Cook County, provide for families like Ramona's. At New Hope, Ramona is able to obtain nutritious food and also diapers and wipes.>>

The food pantry has been serving area residents just like Ramona and her son for nearly 20 years. *But these days, they're serving some 200 households every week.*

This is why your gift today is so important. Especially now, during the summer months, when giving is slower because so many of our supporters are enjoying vacations with their loved ones. And yet another important reason to give—

Every dollar you donate will go twice as far with the matching challenge.

I can't thank you enough for caring about our community's need—and for taking hunger off the table for more families like Ramona's.

Sincerely,

Kate Maehr

MATCHING CHALLENGE OPPORTUNITY

No One Should Go Hungry This Summer

GIVE NOW

Dear <>Salutation>>,

I wrote you recently about a \$25,000 matching challenge opportunity that will DOUBLE every dollar you give by August 31 . . .

I'm pleased to share that because the need is so great in our communities, anonymous donors have stepped forward with an additional \$35,000 match to help our neighbors who are facing hunger!

Please give now while every dollar will go so much further! Every \$1 equals 6 meals if received by August 31.

Your support is so important because hardworking parents are wondering how they will fill the gap to provide enough healthy food for their families. And older adults are finding it hard to make ends meet on their limited incomes, too.

[New/Active/SA/Volunteers] <>As a partner in this mission to end hunger together, please make a gift today to make the most of the expanded matching challenge, while the need among our neighbors is so great . . .>>

[Non-Donors/Lapsed] <>Please make a gift today to make the most of the expanded matching challenge, while the need among our neighbors is so great . . .>>

[Monthly Donors] <>As one of our most committed friends, please consider a special gift today to make the most of the expanded matching challenge, while the need among our neighbors is so great . . .>>

Thank you for relieving the pressure so our neighbors in every community can be hunger free!

Sincerely,

A handwritten signature in black ink.

Subject: What relief you've provided!
Preheader: Thank you for taking the pressure off and putting food on the table

Dear <>Salutation<>,

I'm reaching out today to let you know how grateful I am for you. Because of your generosity—particularly in light of the matching challenge that doubled your impact—so many of our neighbors will receive the healthy food they need to *thrive!*

Thank you for recognizing how important it is to act right now, when rapid inflation and increasing food costs are pushing people to their limits. But YOU are helping families across Chicago and Cook County breathe a sigh of relief today.

A healthy community starts with food. Having enough nutritious food means having the energy needed to focus on education, employment and securing a stable, hunger-free future.

Because you care, you've replaced stress with relief, and hunger with hope. Thank you for joining us in our commitment to creating a hunger-free Chicago and Cook County!

In gratitude,
